# PASTORAL LETTER

*Dear Friends,*

*Life never stands still. Hopefully you've had some rest time over the summer but it doesn't last long does it?!*

*There is never a time when we aren't living in a time of transition. Changes in the seasons, changes that come with our age, with the new school year, with our jobs, with our relationships, with our health. Some of them we have worked hard for and excite us, some are the last thing we wanted to happen. All of them have the potential to worry us, maybe even to knock us off balance.*

*There is one particular strength that we can draw on if we know God. As the writer of the letter to the Hebrews knew and wanted people to remember,*

***'Jesus Christ is the same yesterday and today and forever.'***

*God's love for us never changes, never diminishes, never wavers. God never stops listening to us, never stops guiding us, never leaves us to stand alone. And never will.*

*We can read the scriptures and stories of the lives of the believers who have gone before us to find out how Jesus was yesterday. If we spend time with Jesus we can learn how Jesus is today. If we put our trust in him as 'our rock and stronghold' our tomorrow and the changes that come with it, good and bad, will be part of that forever story.*

*Jane Rylands*

We are a group of people who have a connection to the beautiful Grade I listed church in Whitchurch. That connection may be through attending services, family links to the church, or simply a love of the beautiful building, that is a focal point of the town, and a desire to see its splendour maintained for years to come.

**PLANNED GIVING:** A huge thank you to those who give to the work of St Alkmund's. At our recent PCC we decided to review giving, because our wonderful treasurer advised us that expenditure is £12,000 per month and our income is £9000. Of that income just over £3,000 is from planned giving, which we are extremely grateful for. However, simple maths tells us that we need an additional £3,000 per month. In short, we need to double our planned giving. In response to this we have produced the pie chart handouts showing what makes up our income and expenditure, and we are inviting everyone to move their giving to the Giving Direct scheme, or to begin their giving by using this scheme. The Giving Direct scheme means that Gift Aid is processed automatically meaning much less work for our wonderful team and the money comes to us faster. It also enables, with your permission, your donations to automatically be increased by inflation each year. Further details are on the leaflets. Please prayerfully consider giving using this scheme, and thank you so much for all your support.
